2/9/14

Dear Parents & Carers,  
Welcome to Spring! May the weather continue to improve and allow lots more time outside in the great outdoors.

Thank you to all the parents and carers that supported Book Week and were entertained along with the children with the antics of the staff in Pantomime Friday. It was great to see the excitement on the students faces throughout the pantomime and obviously we have some very talented staff. Cinderella brought the house down with her antics and was well supported by the beautiful step sisters and step mother!

## Snow Camp

There are a few excited students and staff who will leave early next Monday for a wonderful week in the snow. I would like to thank Lorraine, Barbara, Shayne and Chris Cribbs for volunteering their time to take 11 High School students down to the snow for a week. Without them giving up their time this great opportunity would not happen.

## Great Community Spirit

We will be acknowledging the wonderful community spirit displayed by Year 12 Bulli High

School. The students decided to raise funds for our year 12 students to assist in the celebrations of our Formal. On Friday the School Captain and other members of their School Representative committee are coming to present our Year 12's with a cheque.

## Appropriate footwear

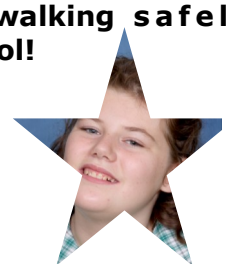

It has been brought to my attention that a few of our students are wearing steel capped boots. Can I ask that you please find alternative footwear as there are safety risks associated for other students and staff.

## Seasonal changeover

As the seasons change there will be warm days and cooler days. Can I ask that you provide a change of clothes within your child's bag to accommodate these changes. Staff will endeavour to make sure students are dressed appropriately for the conditions.

## Positive Behaviour Students of the Week

**Congratulations to Seth Stumbles and Lily Brookes for walking safely through the school!**

Best Regards, Gill Hendry
