Dear Parents & Carers,

I hope all families made the most of the lovely weather on Sunday and had fun in the sun!

## **EDUCATION WEEK**

### **SEE SCHEDULE ON NEXT PAGE**

Please come along and have fun with your child during the DANCE day extravaganza tomorrow. Parents are encouraged to come along during your child's performance session and stay on for a chance to go back to classes for a chat while students are having their recess or lunch.

## **STUDENT GOAL SETTING.**

Teachers are busy organising meetings to set new goals after the successful completion on semester 1. It was wonderful to read all those great reports with positive results for all students.

I would like to thank all the families that completed the feedback sheets. It is very beneficial to the school to receive feedback so that changes to student learning and support can take place.

Within the NDIS world there will be a few changes of school access for therapists. It maybe beneficial to encourage therapists and co-ordinators to come along to the meeting and have a combined approach to assist your child.
