Bucky News

Weeks 5 & 6

Congratulations

Jason and Clark and the students in Primary 5 have been awarded the Bucky prize for making a great effort in using equipment safely.

Over the next two weeks students will be encouraged to be peaceful and everyone will doing good listening.

Para Meadows 2019 focus areas

Our current school directions have us working at improving communication for all students across the school; identifying and supporting sensory needs of students; greater emphasis on the development of literacy and numeracy for all students.

Our teachers will engage in professional learning to support student development in these identified areas.

If you would like to provide feedback or make suggestions around these intended areas of growth for our students, there will be a feedback sheet included in the end of year package.

We will endeavour to canvas input throughout 2019 using surveys or suggestion/ feedback sheets included with the newsletter.

Best regards for the upcoming fortnight,

Gill Hendry
