Dear Parents and Carers,

As we come to the end of 2018, I would like to take this opportunity to thank you for your support not only of your child but the school and staff . We are all in this together and the collaboration between home, school and community continues to make Para Meadows a special place for all.

Please come along and celebrate 2018 with the students on Wednesday between 11:30 am and 1pm as we go out with a COLOUR BLAST!!

PRESENTATION ASSEMBLY

Monday 17th of December at 9:45am is the annual awards assembly. Everyone is invited to come along and celebrate student achievement in 2018.

SCHOOL REPORTS

Student Reports, 2019 staff photos and the Chronicle should be distributed this Friday afternoon all going well. I would like to thank all the staff for their wonderful efforts in teaching and reporting student achievement all year.

SUMMER HOLIDAYS

Following the same morning routine that your child has when getting ready for school can help when preparing your child for the day's activity. Too much change can be overwhelming and for some children a complete change in routine can throw everybody's day out. Planning ahead by creating a calendar of activities can relieve everyone's anxiety about what's happening the next day and over the course of the break. You know your child best and what works for your family so keep doing it.

Some helpful tips can be found in the flyer sent home.

Have a safe and relaxing break.

Gill Hendry

Bucky News

Congratulations

Well done Trajan and Sienna and High School 2 for being peaceful and displaying good listening skills across the school.

BUCKY'S BIG DAY OUT

This Wednesday we celebrate all the successful students, who have followed the school values throughout 2018.

The students will spend time with the animals of Matilda's Farmyard, enjoy the socialisation and fun getting sprayed many colours. For those students that have received the quota of Bucky dollars a Puppet show in the afternoon.

BUCKY SURPRISE

Ten lucky students have been invited to the movies at Hoyts Warrawong to watch The Grinch with myself and Jenny. Bucky is looking forward to more students next year going out on a special excursion.

Student Pages

ASPECT PM 1

The students participated in the cooking and tasting of food items in conjunction with our celebrations unit of work. A particular favourite was rolling the icing and decorating a mini wedding cake. Yum!

Student Pages

ASPECT PM 2

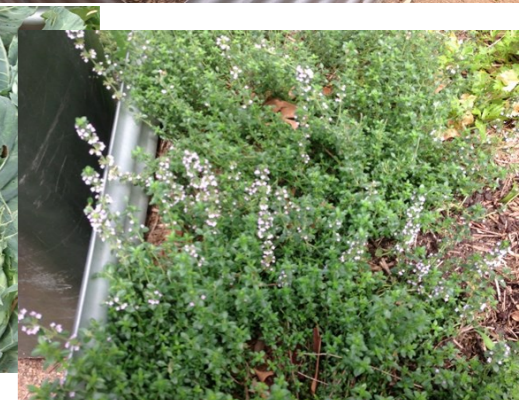

Throughout semester two we have been working in the garden

Clearing out the weeds and bringing in new soil.

We prepared the beds and learnt about plants, we then planted some herbs and veggies.

Now we have a garden full of delicious herbs and vegetables.
