Dear Parents and Carers,

Teachers are finalising reports at the moment, just a reminder that we will be reporting on only Semester one PLSP goals and all curriculum subjects. We have taken the opportunity presented by COVID-19 to streamline the process and have a better handover of information between teachers by moving the reporting this year for Semester two goals to our first report in 2021.

Reports will be sent home in Week 10, there will also be the Chronicle, a parent feedback sheet and class staffing for 2021.

Year 6 Graduation Assembly and disco

This festive season Wollongong Council is celebrating the diversity and richness of young people with *The Grateful Project*. They called for people aged 12 to 24 years to reflect on their experiences in 2020 by submitting a portrait along with a statement about what they're grateful for. We are proud to announce our very own Tess Amatto was chosen to take part in this great initiative. She is grateful for Whitney Houston, her portrait and statement are on display in Wollongong Mall, near the amphitheatre from the 12th of November until the end of January 2021. Great job Tess!
