Dear Parents and Carers,

Congratulations to our Year 12 graduates. A big thank you to the Stage 6 staff, families and students for being part of the Graduation Assembly and the Formal.

We wish all our leavers every success next year. Good Luck.

## Students changing school in 2024

It is with a little sadness that we say "Goodbye" to Tyler. Tyler will be transferring to Mount Brown Public School next year. We are very proud of the steps you have taken in building your social skills ready for your new school.

## SCHOOL STARTING DATE 2024

Next year we will be starting the year with two staff development days, those being on Tuesday the 30th January and Wednesday the 31st January. School Assisted Transport will be in contact over the last week of the holidays to confirm times of transport.

**Returning students will start on Thursday the 1st February 2022.**

**All new students will be starting on Friday the 2nd February.**

Teachers will be sending home student health care documents to give families time to follow up any changes to medication, medical conditions, updating ASCIA plans, Asthma plans or Seizure Care plans in preparation for 2024.

General consent forms will be sent home at the beginning of next term.
